- Return paid funds from a MasterCard or Visa card back to the same card that was used for payment

Bank charges and transaction fees will be deducted from the amount to be remitted.

Cancellations Due to ill health or injury

Where a person is required to cancel their climb or safari on grounds of ill health or injury, where requested, we will issue a final costs advice, reflecting the value of the funds that have been forfeited as a consequence of the cancellation. When presenting this to your insurer with copies of your diagnosis and prescription notes that you are advised to obtain, you will usually be able to claim back all or part of this forfeited amount on either your health or travel insurance policies, assuming you have a pre-existing policy in place.

Disputes

Any disputes should be made in writing to info@teamtoubkal.com within 14 days or will be deemed to have not occurred, with no compromise made to outstanding monies.
